2021 Highlights
2021 was an interesting year with our doors closed to in-person activities until August. We upgraded our staff computers and building Wi-Fi to make it easier to offer hybrid (online and in-person) programs. We increased our online programming while also assisting seniors to get online by providing free tech support, plus free tablets and free Mobile hotspots to 20 older adults. We added new programs like Drums Alive, Spanish interpretation and a variety of new art and fitness classes. We also made some facility improvements with security cameras installed on building perimeter, a new HVAC unit and new cabinets in reception and the kitchen. You may have noticed that our thrift store, Re-In-Carnation, is now located inside the senior center and the little house it previously resided in on Commercial St has been torn down.

What does the Sno-Valley Senior Center mean to it’s members and participants?

"We want to thank you so much, because that’s (Meals on Wheels) been such a great help for him. Between that and your luncheon program it’s really kept him going and we’ve certainly noticed a difference in his recovery since he’s been eating good, nutritious meals, so we can’t thank you enough for doing that for him."

"Great community, we need it. We come out, it’s so close and convenient & people are great."

"Coming to the senior center is like coming home."

"So much is provided for our community at this center. We are so fortunate to live in this valley."
FESH: (Far East Senior Hub) is a partnership with the Issaquah Senior Center and the Mt. Si Senior Center made possible by funds from King Co VSHSL (Veterans, Seniors and Human Services Levy). These funds led to increased services in the valley and more outreach to rural isolated seniors. Program Partners include:

- POCAAN – Mobile Medical van
- SeaMar – programs for Spanish Speaking elders
- GenPride – programs for Rainbow elders (LGBTQ)
- Encompass – kinship care for Grandparents raising Grandkids

And much more – see our website – http://snovalleysenior.org/vshsl-levy/

AFFORDABLE SENIOR HOUSING IN CARNATION

- Architects hired and preliminary drawings done for a three story 15 unit apartment complex next to the Sno-Valley Senior Center
- Topographical and boundary surveys done
- Parking demand study done
- Environmental studies done
- Capital funding consultant/grant writer hired

FINANCIALS FOR 2021

Revenue

Bad News: We were closed to the public until August 2021. Thrift Store was open part-time but we had no facility rentals, no program revenue and some fundraisers cancelled.

Good News:
- Individual donations were up thanks to our community and YOU!
- Increased number of grants received.
- King Co. Veterans, Seniors and Human Services Levy funds were unaffected.

Expenses

- Staffing levels stayed the same.
- Meal program expenses increased with need for to-go boxes and additional gloves and masks.
- Most expenses unchanged.

Bottom Line: thanks to your support and the PP (payroll protection) grant, we finished the year with a $28,000 excess!
THANK YOU!

NUMBERS
- We served 14,680 meals for pick-up, delivery, and in-person, a 21% increase over the meals served in 2020!
- We delivered 2,185 frozen Meals on Wheels to local, homebound seniors
- Volunteers gave 8,714 hours of their time to help us offer programs, serve & deliver meals, sort and cashier at the Thrift Store, and so much more!
- We received 18% more donations than in 2020, which was already a record year!
- Our hiking group hiked 246 miles in 2021 (especially outstanding due to limited transportation, COVID, and storms/flooding)!
