

## **June 2021 Update from Sara Lambert**

Newsletter articles can only go so far... You've heard about it, maybe thought about if you might qualify to live there. What questions do you have about Sno-Valley Senior Center's affordable senior housing project?

Please join us to hear more about what the building might look like, where you can park your car when you visit the center, and how the heck we're going to pay for it all. Meeting is on Zoom, by computer or telephone (even a dial-up will work.)

To join the Zoom meeting: contact Kira Avery, Assistant Director  
Email ([kiraa@soundgenerations.org](mailto:kiraa@soundgenerations.org)); phone 425-333-4152, or check the [snovalleyseior.org](http://snovalleyseior.org) home page for details.
